Commissioner for Patents

Sir:

Request for Reconsideration of Holding of Abandonment

Applicants received a Notice of Abandonment dated February 25, 2009 in the instant application. Applicants respectfully request reconsideration of such a holding because Applicants disagree with the holding on the basis that there is no abandonment in fact as per MPEP Section 711.03. More particularly, the Notice of Abandonment states that this application is abandoned in view of Applicants' failure to timely file a proper reply to the Office letter mailed on August 13, 2008. The Notice of Abandonment states that "[n]o reply has been received." Such statements are respectfully traversed because Applicants filed a complete response as an Amendment in response to the Office Action dated August 13, 2008, together with a three-month petition for an extension of time with corresponding fee payment, on

February 10, 2009. A courtesy copy of the as-filed Amendment papers is attached hereto, together with a copy of the postcard sheet which includes the official date stamp of the USPTO indicating the USPTO's acknowledgement of receipt of the as-filed Amendment papers on February 10, 2009. In addition, the inclusion of these Amendment papers, as filed on February 10, 2009, on PAIR is further evidence of Applicants submission of this response to the Office Action.

No fee is believed to be due for filing this paper, however, in the event that fees are deemed necessary, the Commissioner is hereby authorized to charge any necessary fees which may be required to Deposit Account 50-0573.

Respectfully submitted,
